Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Tuesday 27 Apr 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Weather turning changeable, with sunshine and showers.

This Evening and Tonight:
A mostly dry and bright evening with the odd shower possible. However, it will become cloudy overnight as showers move in from the north. Some of the showers will be heavy at times, especially in the west. Minimum temperature 4 deg C (39 deg F).

Wednesday:
A cloudier day than of late, with plenty of showers. The showers will be slow-moving and could be heavy at times. Feeling cooler compared to recent days. Maximum temperature 14 deg C (57 deg F).

Outlook for Thursday to Saturday:
Dry for most Thursday, with frequent sunny spells and the occasional scattered shower. Showers turn more frequent Friday and Saturday, and heavy at times. Feeling colder than of late.
